# Explore the Adriatic in intimate touch with nature

Made of the finest wood - mahogany gulets will provide you inexpressible feeling of luxury and pleasure. There is a plenty of space for sunbathing on the bow as well as the big sitting table on the stern. Together with inside spacious salon which comprises a sitting area and a small bar where drinks are served, it offers more than enough space for relaxing, recreation and entertainment.

Gulet cruise will make your holiday special with different natural surroundings every day.

You will have all the time you lack during the year for your family, friends, hobbies, and finally, for yourself.

**VISIT CULTURAL SIGHTS**  
Historic tours through Dalmatian cities give you the possibility to learn something about cultural heritage and places under protection of UNESCO.

**ENJOY AUTHENTIC GASTRONOMY**  
Do you know that nutritionists consider Dalmatian cuisine extremely healthy? Taste the variety of traditional meals flavoured with extra virgin olive oil. You will not be left indifferent.

**DISCOVER NATURAL HERITAGE**  
Five National Parks and two Natural Parks of the Dalmatian coast will show you all the beauty of virgin nature.
